Travel Service Agency

**Dear Valuable Partners,**

Greetings from Gangwon province!

I would like to express my deepest gratitude for your continuous support and interest towards Gangwon.

Last night, 4<sup>th</sup> of April, the wild fire broke out throughout the east coast, Goseong, Sokcho, Gangneung city, and it cause several inconvenience for international tourists who visit gangwon province during this time.

I would like to assure you that it is perfectly safe to send the tourists to these area as the fire is now under control and blocking road has been released. There will be no hazard for the foreign tourist to travel around these region.

As the governor of Gangwon Province, I promise you that entire staffs including myself will continue the greatest effort for the safety or tourist and we will make sure to give warmest hospitality for the pleasant experience. We highly appreciate every single customers for visiting Gangwon Province.

Regarding this matter, if there is further inquiry, feel free to contact to our staff.

Once again, thank you for your support and trust toward Gangwon.

I wish your continuous growth and prosperity.

***Best Regards,***
